

# MISSION TRIP FEEDBACK FORM

BUSES International wants to stay on the cutting edge of what God is doing by offering the most impacting, life-changing and effective mission trip experience possible. To accomplish this goal, feedback from those who have accompanied us on one of our mission trips is crucial to helping us identify the areas where we need improvement. Believe us when we say, we want to hear all about the "the good, the bad and the ugly" when it comes to our trips! To that end, we have created this Mission Trip Feedback Form to assist us in gathering the information we need to make informed decisions about changes to our trips.
