## Who is BUSES International?

Since 1988, our ministry has been building buses, box trucks and trailers into mobile medical and dental clinics, portable kitchens and food service vehicles, mobile shower and bathing facilities, classrooms, ministry outreach vehicles, disaster relief units and more.

These specialized vehicles are shipped all around the world including the U.S. to enhance the work of missionaries, churches, doctors, dentists and relief workers located in poverty-stricken areas to help them demonstrate God's love and modeling Christ's example of serving those in need.

Hundreds of thousands of people all over the world have received free healthcare, food, water, clothing, counseling, teaching and preaching through our specialized vehicles.

### How it all began:

While on a mission trip to Mexico, God gave Rev. Dr. Norman Beetler, founder of BUSES International, a vision of building a shower bus after he had a brief encounter with a child.

In a garbage dump north of Mexico City, a small boy had just received a bath from some of the other team members who used a five gallon bucket of water. He came over to Norm and smiled, and without saying a word, he began rubbing his hands up and down his chest. The message was clear: "Hey Mister! Look at me...I'm clean!" Norm couldn't get the image of the boy's face out of his mind. In the middle of the night, God woke Norm, and gave him a vision of a school bus with a medical clinic in the front and huge water tanks in the back for giving showers.

Thus, BUSES International was born. The ministry still operates today in the strength of that vision — providing ways for Christians to demonstrate the love of God to those in need.

Each vehicle is designed and equipped to be completely self-contained with everything medical, dental or ministry personnel would need. Whether in the city, the desert, the jungle, or the mountains, our units have the ability to go anywhere to help people — no matter the need.

**Shoebboxes:** We collect shoebox/gifts filled with toys, school supplies, underwear, socks, hygiene items, and candy which are given to needy children. It's a great way of sharing Christ's love with a child at Christmas. Learn more on our website.

**Special Projects:** From the construction of churches, orphanages, and schools to distributing food and supplies, responding to natural disasters or equipping pastors, teachers and missionaries, we can provide you or your church/group with a multitude of special project opportunities.

**Mission Trips:** Periodically, we offer unique mission trips that focus on demonstrating the love of God as we serve people in need. Learn more on our website.

## How you can partner with BUSES International

Your partnership in three areas is vital to us. Thank you for your compassion and zeal to help people in need and share the love of God with them.

1. **We need prayer.** Please pray for BUSES International to have God's wisdom and direction for our ministry as we respond to the many needs and requests for help locally and around the world.
2. **We need to spread the news about BUSES International.** Please help connect us with pastors, churches, business leaders and organizations. Tell your friends and family. Networking is a key component to this type of ministry.
3. **We need funding.** Please help us by giving a tax-deductible donation that will enable us to continue and expand our work. Encourage others to donate as well.

BUSES International is a registered 501(c)(3) nonprofit organization, and all donations are tax deductible.

I want to partner with BUSES by contributing a monthly donation of

\$10 \$15 \$20 \$25 \$50 \$75 \$100
