

BUSES International Towel Packs

On each of our summer Mission Trips, BUSES International provides "Towel Packs" to needy people. These Towel Packs contain basic hygiene items such as soap, shampoo and a small towel -- quite honestly, items we take for granted. These Towel Packs are yet another example of how BUSES International is meeting the physical needs of people in order to open the doors of their hearts to receive the Good News of salvation through Jesus Christ! If you would like to contribute or participate in this important project, contact us by calling +1.440.233.4091. You can also visit our website, <http://www.busesinternational.org>, to view and download more information.

With the increased costs of transporting Towel Packs to their destination, please help us by giving \$ 1.00 per Towel Pack. Thank you!
