

Dear BUSES International,

Greetings in the name of our Lord and Savior Jesus Christ.

I want to thank BUSES International for building our second Heaventrain. Heaventrain is a church on wheels where we teach God's Word and then feed the hungry. Our ministry has averaged nearly 1,200 children on one bus in Cleveland, OH's inner city for 30 years.

I want to thank BUSES International for completing our second bus one month ahead of schedule and most impressively under budget. Your organization saved us at least 75% of what it would have cost us, and the quality of workmanship is unsurpassed. You saved us so much money, and you were simply a delight to work with. I felt like we were in this thing together and that it was a ministry you were doing more than a job. Your attitude was one of servanthood.

BUSES International is a remarkable Christian organization who wants to serve the Kingdom of God. Every soul that is brought into the Kingdom through this bus will have you to thank.

I recommend BUSES International to anyone who wants to build a specialty vehicle. You will receive courteous, kind, professional care by people who are called of God to do this special service. They bend but don't break.

May God richly bless you.

In His Service,

Rev. Dr. Phillip Batten Ph.D, Th.D, D.D.
